The first issue of the Avion Travelcade News was published in May, 1959. It has increaesd in size and scope, but its primary purpose of providing a means of communication and information to Club members, is still its major function. It is mailed ten times a year to all members, and non-members may subscribe yearly for a nominal fee.

On June 27, 1959, 25 people in 8 Avions left from the Avion plant to visit Alaska. Vic and Irene Bailey of Ohio were the leaders. Six weeks and 10,000 miles later, the Travelcade program was established. By the end of 1982, 177 tours and travelcades had covered all areas of North America, in addition to several overseas trips. The trips ranged from 2 to 6 weeks with from 20 to 80 Avions involved. The Travelcade program is open to all Club members.

Club membership dues are $10.00 for the first year, and the year runs from July 1 to July 1. Of this $10.00, $8.00 is for yearly International dues, and $2.00 is retained by State Unit for Unit dues. For this nominal fee, members receive the Travelcade News; a yearly Membership Directory; and new members receive a trailer kit package which contains logos, State strips, and trailer numbers. Numbers etc. are affixed to a new member's Avion at the first State Rally or International Rendezvous he attends. Your membership card is your passport to all Avion functions wherever you may be.

The Avion Travelcade Club welcomes each of you to its membership. The extent to which you will enjoy its rich fellowship is limited only by the level of your participation. Travel and enjoy your Avion to the fullest extent possible.
